RESERVE METROPOLITAN DISTRICT NO. 5

2025 BUDGET MESSAGE

Reserve Metropolitan District No. 5 is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established to provide for the planning, design, acquisition, construction, installation, relocation, redevelopment, financing, operation and maintenance of the Public Improvements from the proceeds of Debt to be issued by the District and other legally available revenues of the District.

The District has no employees and all operations and administrative functions are contracted.

The following budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

2025 BUDGET STRATEGY

The District's strategy in preparing the budget is to strive to provide the type of public-purpose facilities desired by the property owners and residents of the community in the most economic manner possible. The General Fund will provide for the District’s general and administrative expenses.

For 2025, the District is not anticipating to have any activity and only budgeted for contingency in the event an activity does occur. Any such costs would be funded via developer advances. If there is any activity, the District will plan to maintain a TABOR Emergency Reserve in the General Fund.
